

HOW TO USE THE RESOURCES

**EXPLOITATION OF
CHILDREN IS A
SERIOUS ISSUE**

As a travel organization connecting tourists with local communities, you are in the unique position to prevent child exploitation. Starting with this can be difficult. That's why we offer you this recourse package. Take advantage of this package by following the instructions below and start taking action now!

THE INFOGRAPHIC PACKAGE

The infographic package includes six infographics, for you, your local agent, local partners (tour guides, accommodations and chauffeurs) as well as your clients.

LOCAL PARTNERS

Send the infographics to your local agent or representative and request that they distribute the infographics for the local partners (the accommodations, tour guides, and chauffeurs) to the appropriate individuals.

TRAVELLERS

- Please ensure that the infographic for the traveller is integrated into your website, alongside the corresponding example text* contained in the enclosed ZIP file.
- Include the infographic and relevant information in the travel documents or itinerary that your customers receive before they leave for their trip.

*EXAMPLE TEXT

Include the example text on your website, alongside the infographic meant for the traveller. This ensures that your customers are well-informed and empowered to make a positive impact.

EXAMPLE CLAUSES

Review these clauses carefully and adapt them as needed to fit your specific business needs and legal requirements. Please feel free to copy and paste them into your contracts and terms and conditions.

COPYRIGHT

- ✓ You are allowed to put the texts on your website, in the contract with your local partners, terms and conditions, and documents that you share with customers. You can directly copy the items to the desired location.
- ✓ You are allowed to change the text and clauses to adapt them as needed to fit your specific business needs and legal requirements.
